

Adding and Viewing Runs

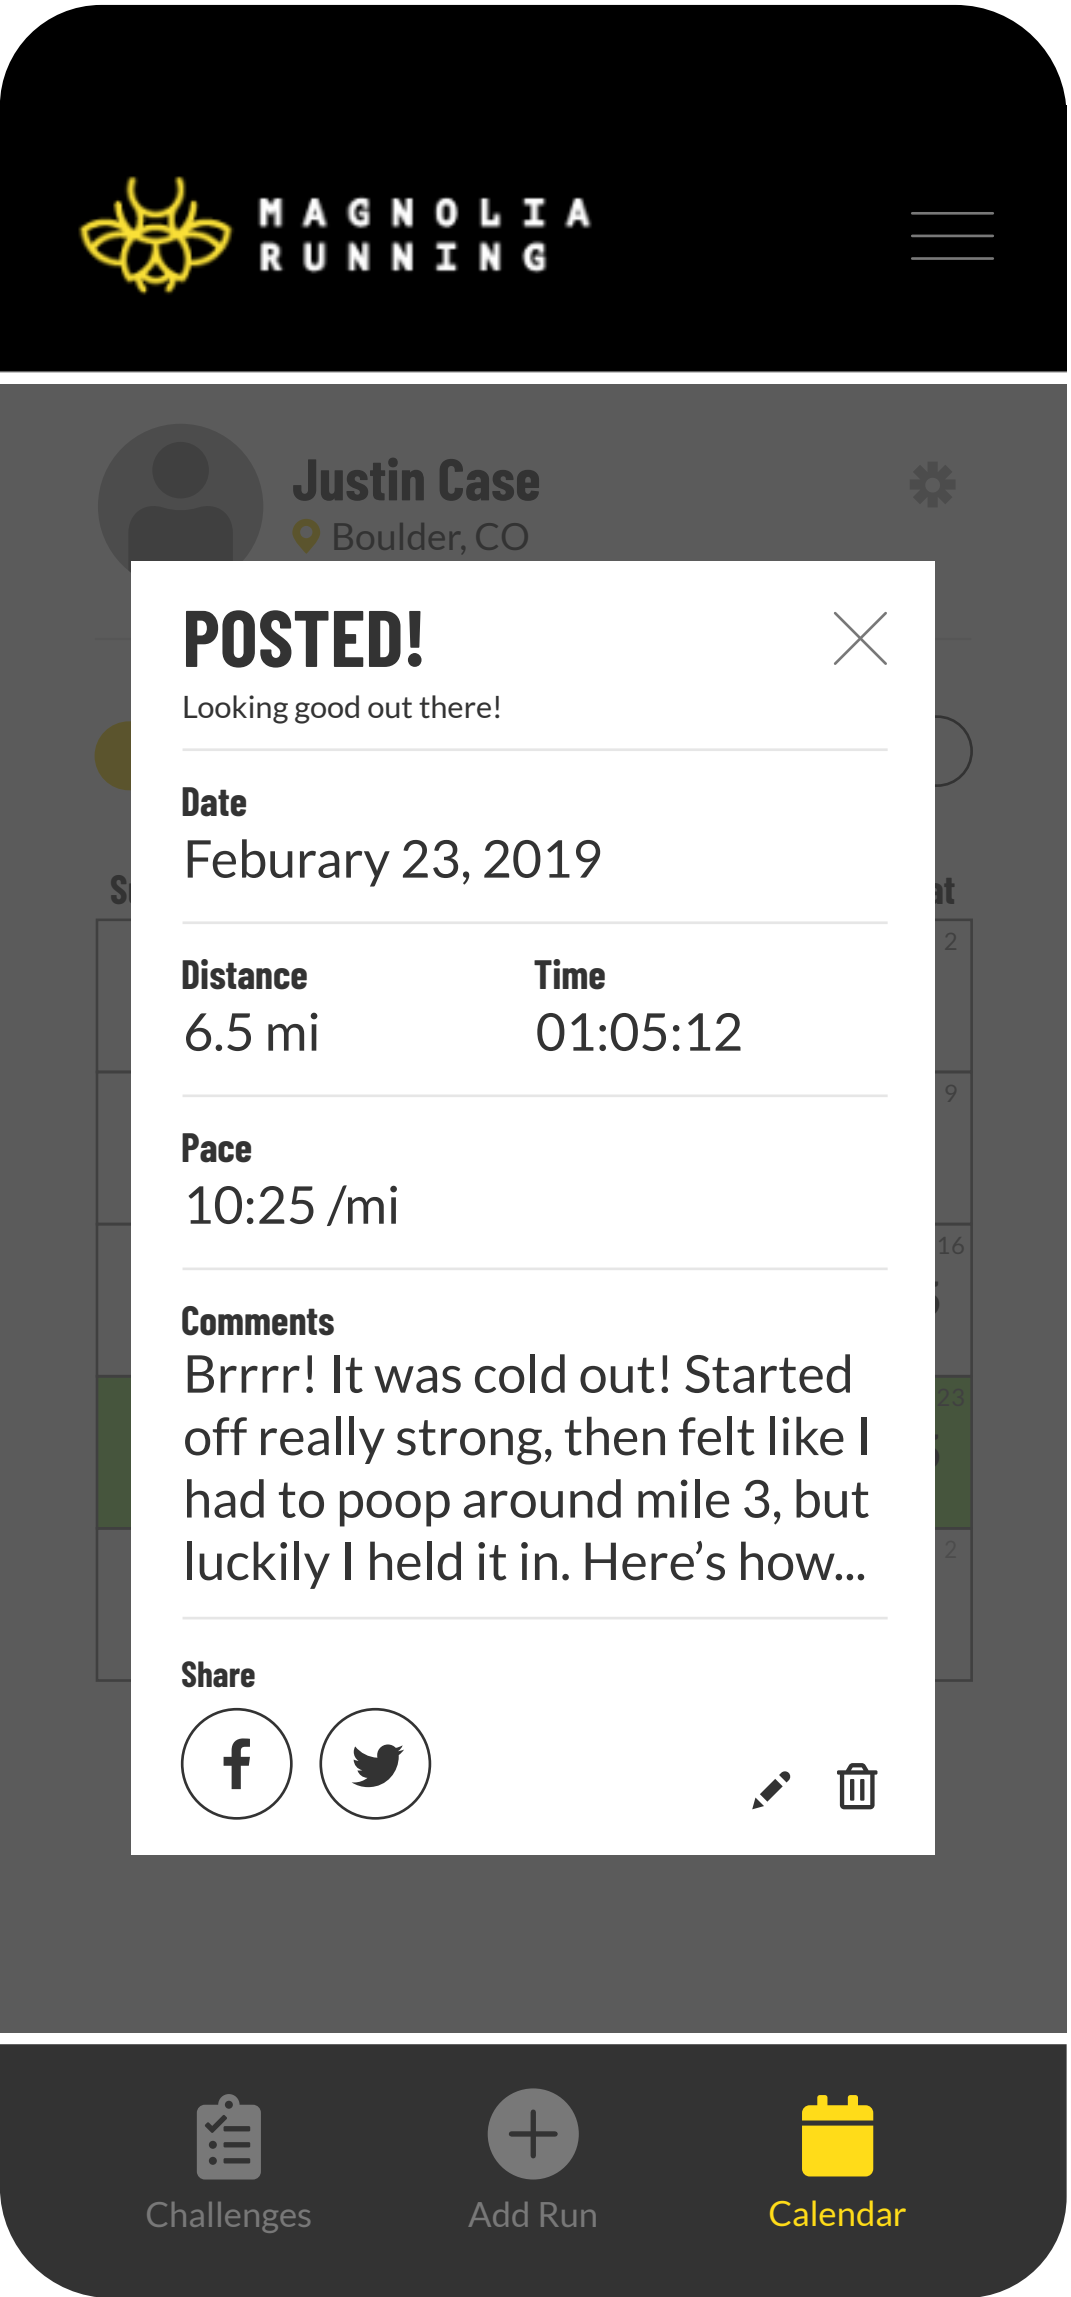

Mobile home defaults to “Track Run”

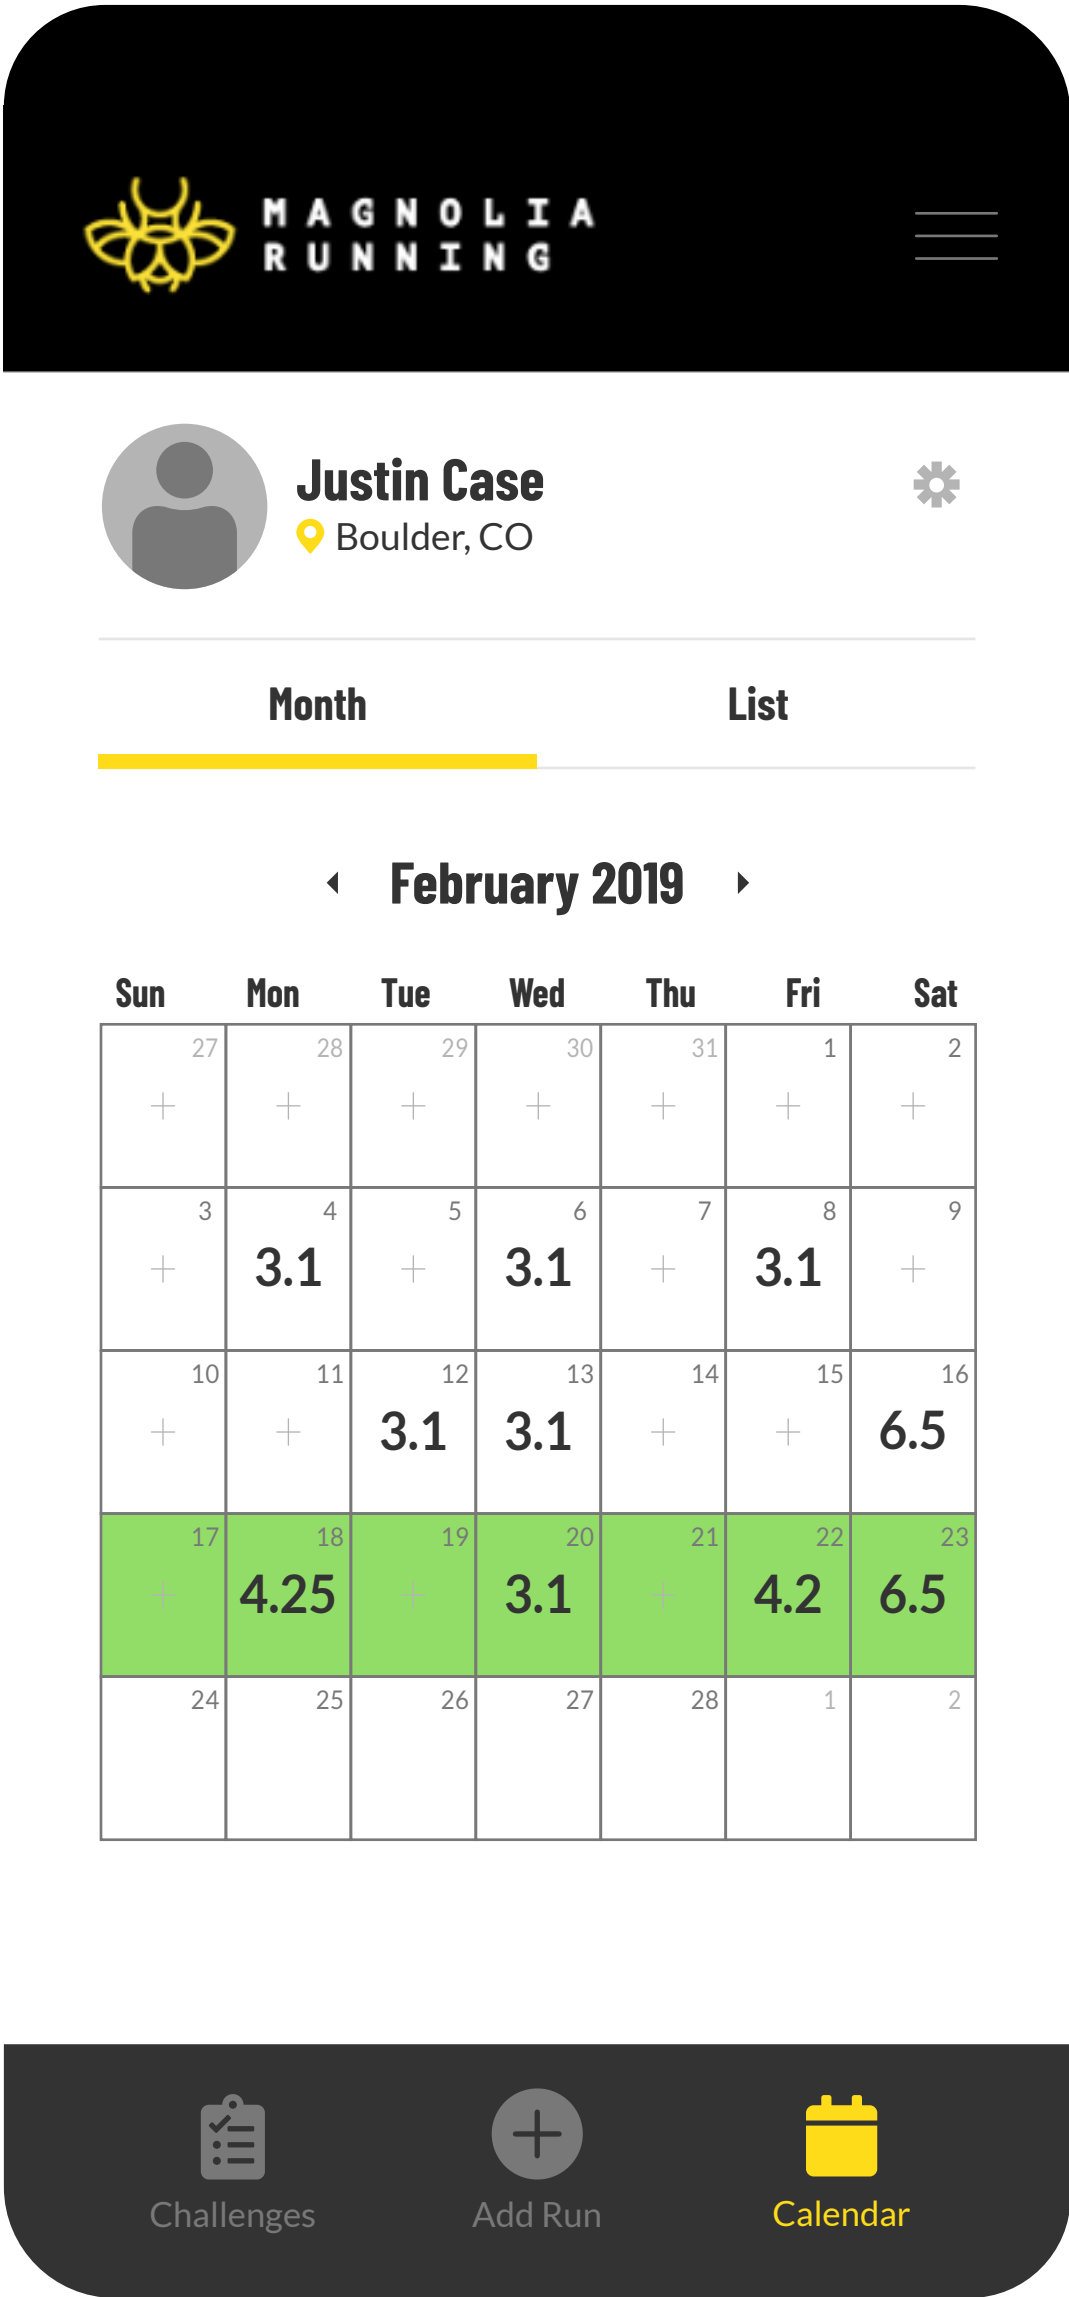

Click view of entry fields.
(user just clicked “Comments”)

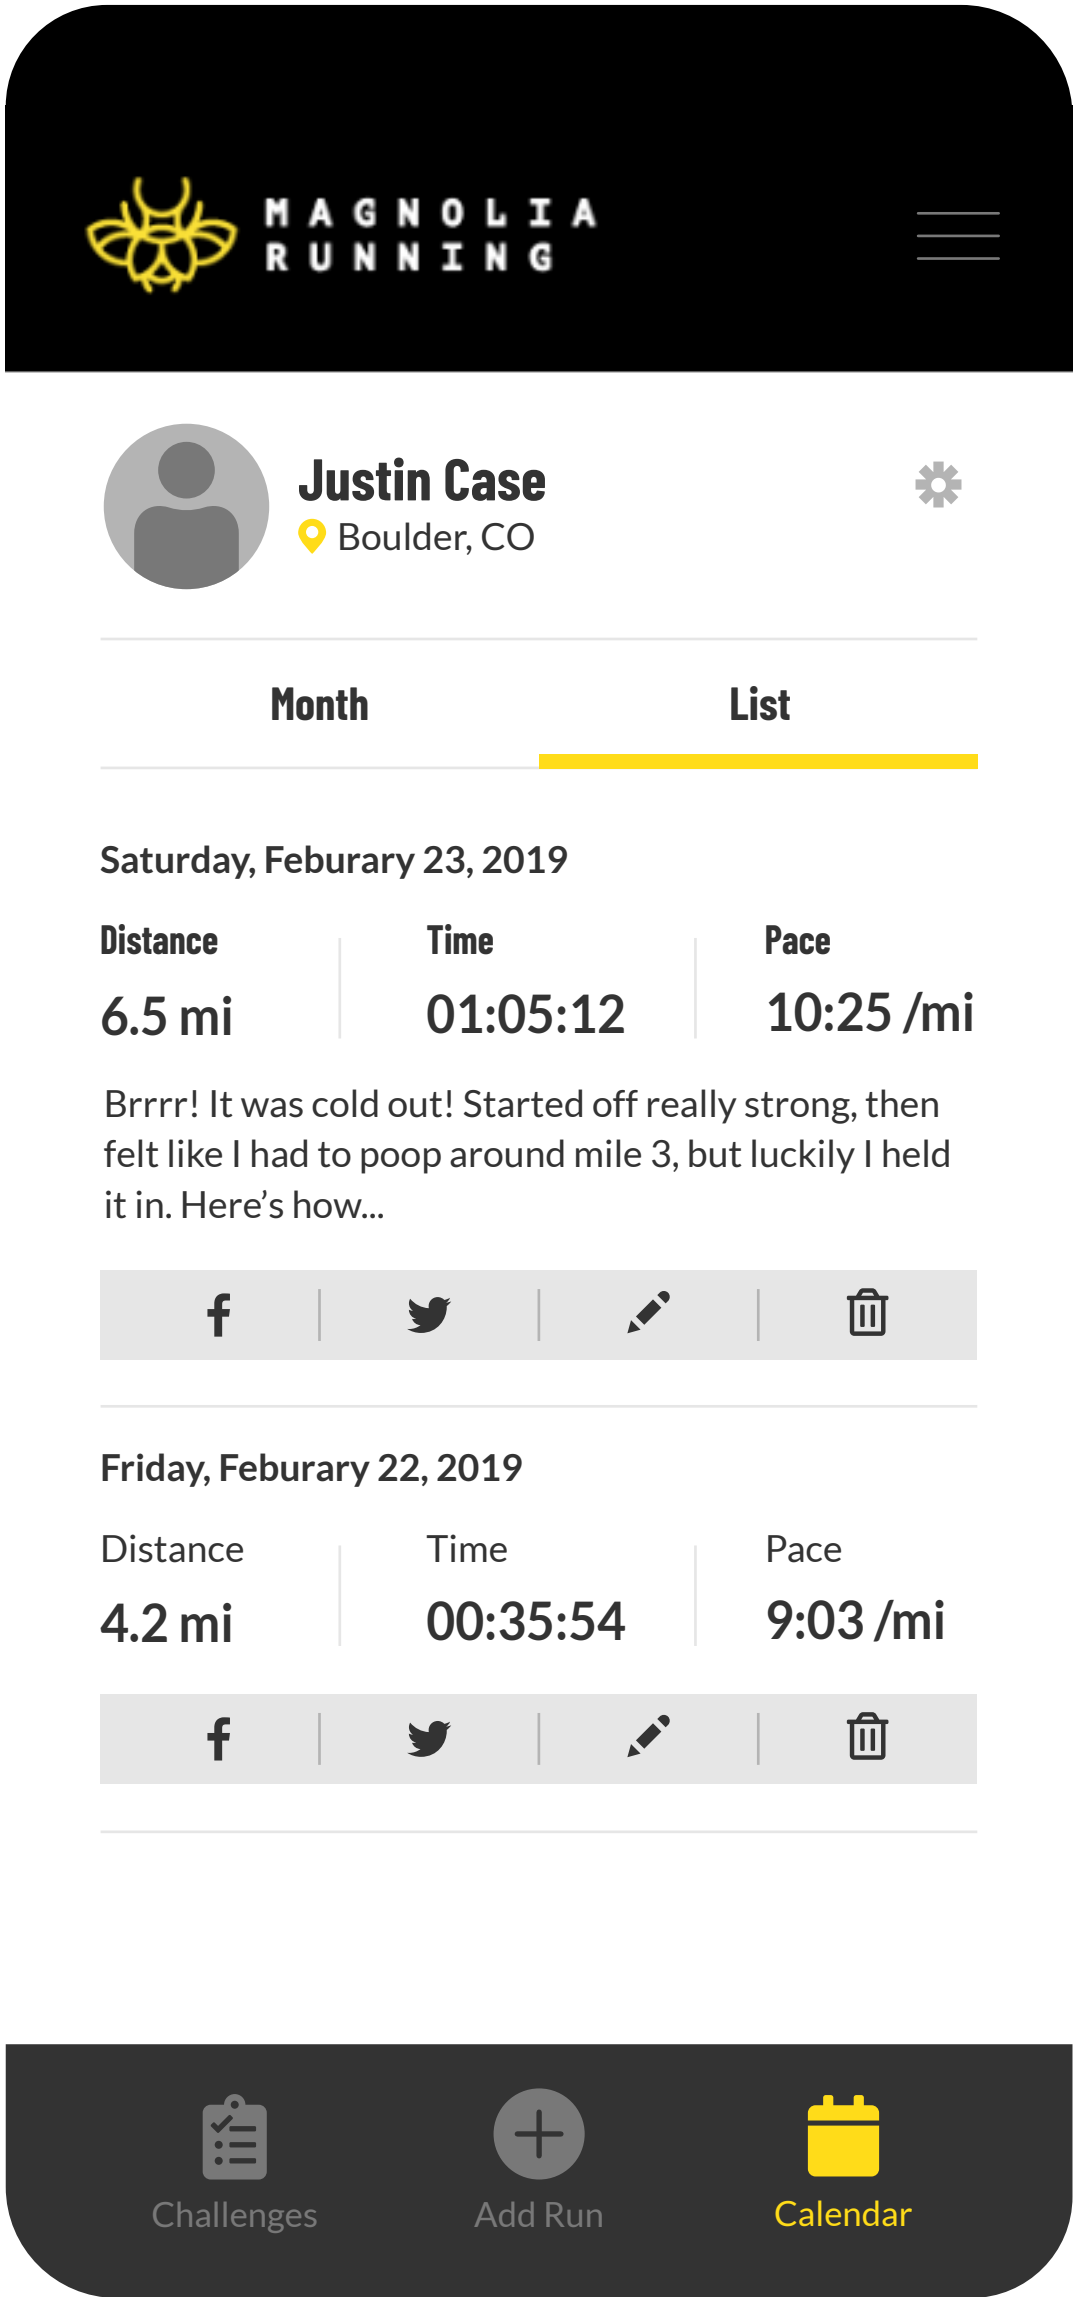

User just clicked “POST IT!”
Page automatically switches to Calendar
view with the “POSTED!” screen takeover
overlayed on top.

User exits “POSTED!” by clicking X.
Takeover drops, revealing calendar page
(default to Month view) with their
new post visible.

POSTED!

Looking good out there!

Date

February 23, 2019

Distance

6.5 mi

Time

01:05:12

Pace

10:25 /mi

Comments

Brrrr! It was cold out! Started off really strong, then felt like I had to poop around mile 3, but luckily I held it in. Here's how...
